Brownsboro High School
Brownsboro, Texas

You are today's people and we have tried to compose within these pages of the 1974 BEAR TRACKS a yearbook for today.

We hope that we have presented a yearbook that you will look back on in the years to come and remember your days at Brownsboro School. May it serve as a memory of all the fun, sad, depressing, and exciting days that you spent here.

Without you, we could not have presented the different phases of life that have had significance for each member of the student body.

It gives us great pleasure to present this yearbook to you, and hope that you find it as enjoyable as we did.

Sincerely yours,

Diane Hatton

Editor-in-Chief

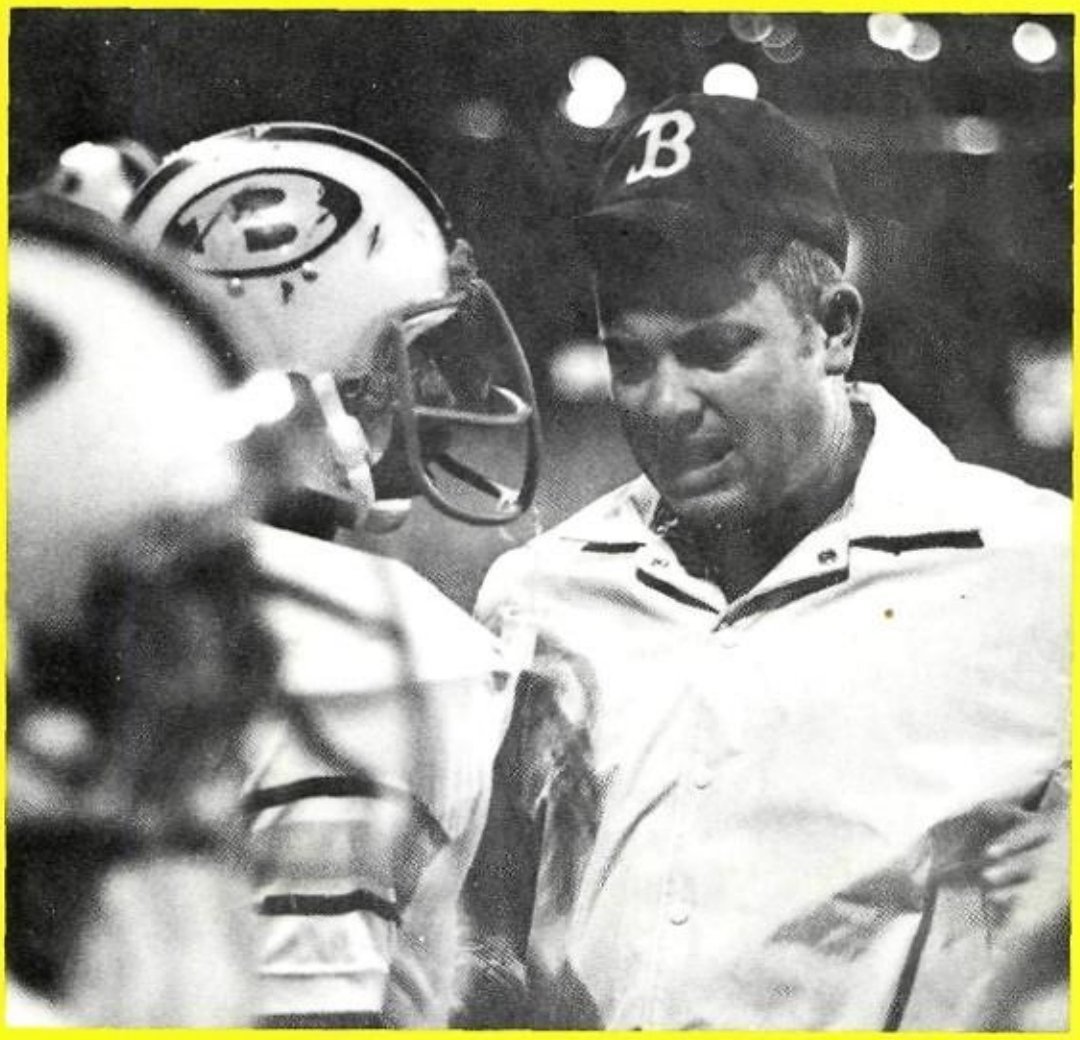
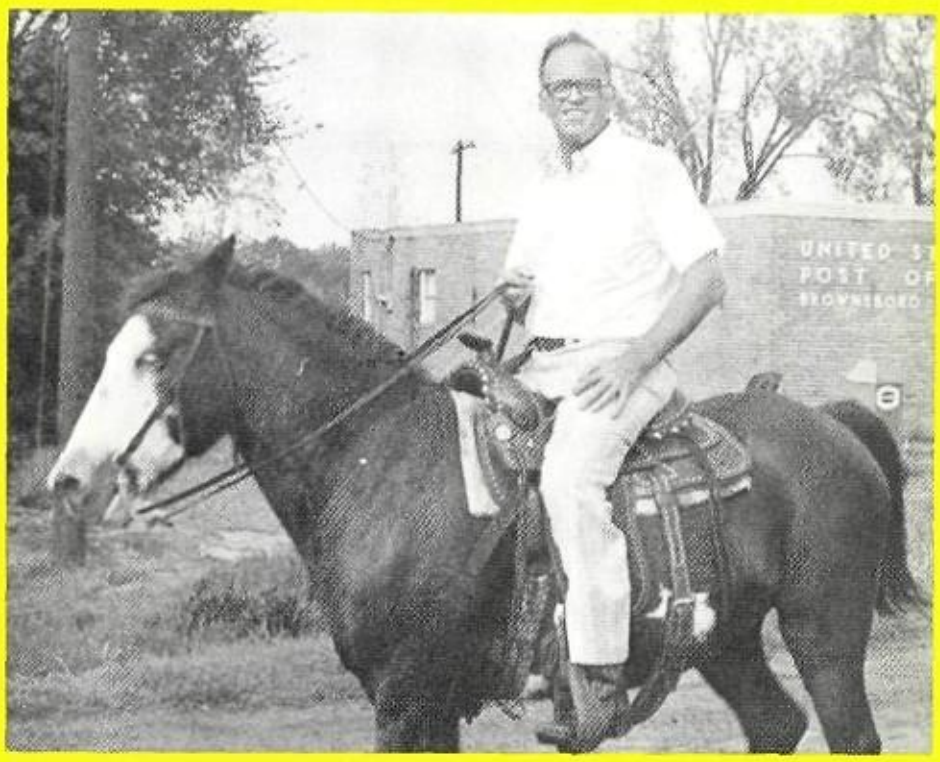
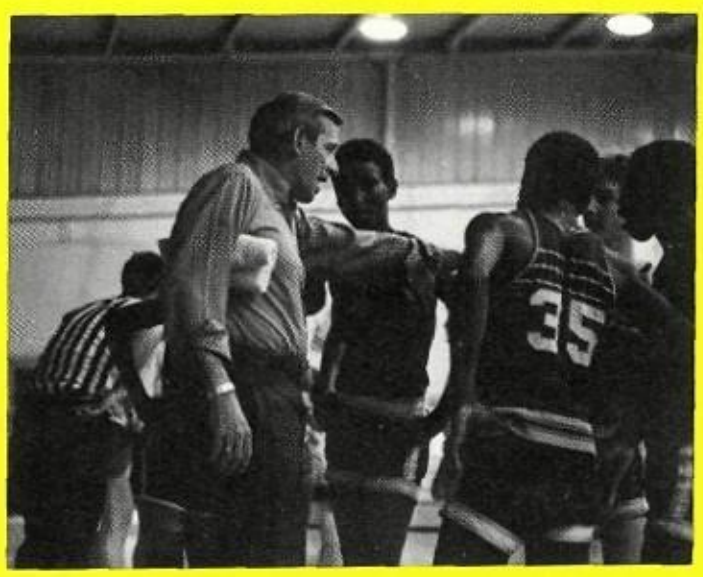
''THE MORNING AFTER''*

There's got to be a morning
after,
If we can hold on through the
night,
We have a chance to find the
sunshine,
Let's keep on looking for the
light.

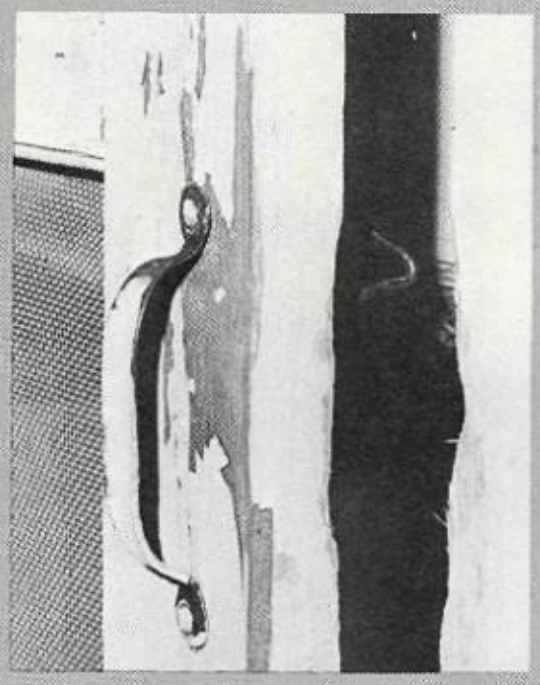
Oh can't you see
the morning after
It's waiting right
outside the storm,
Why don't we cross
the bridge together
And find the place
that's safe and
warm.

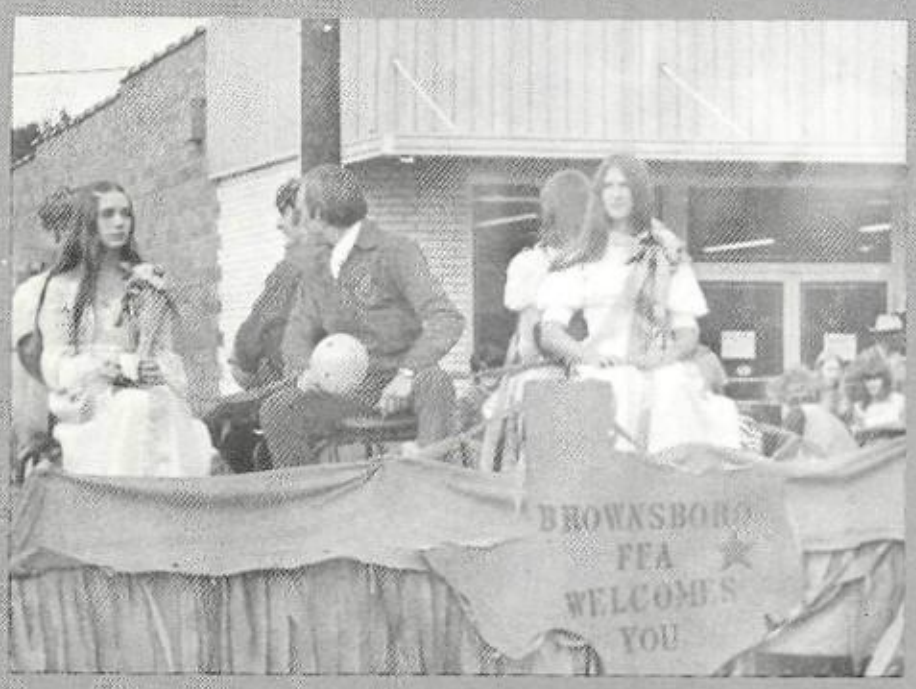




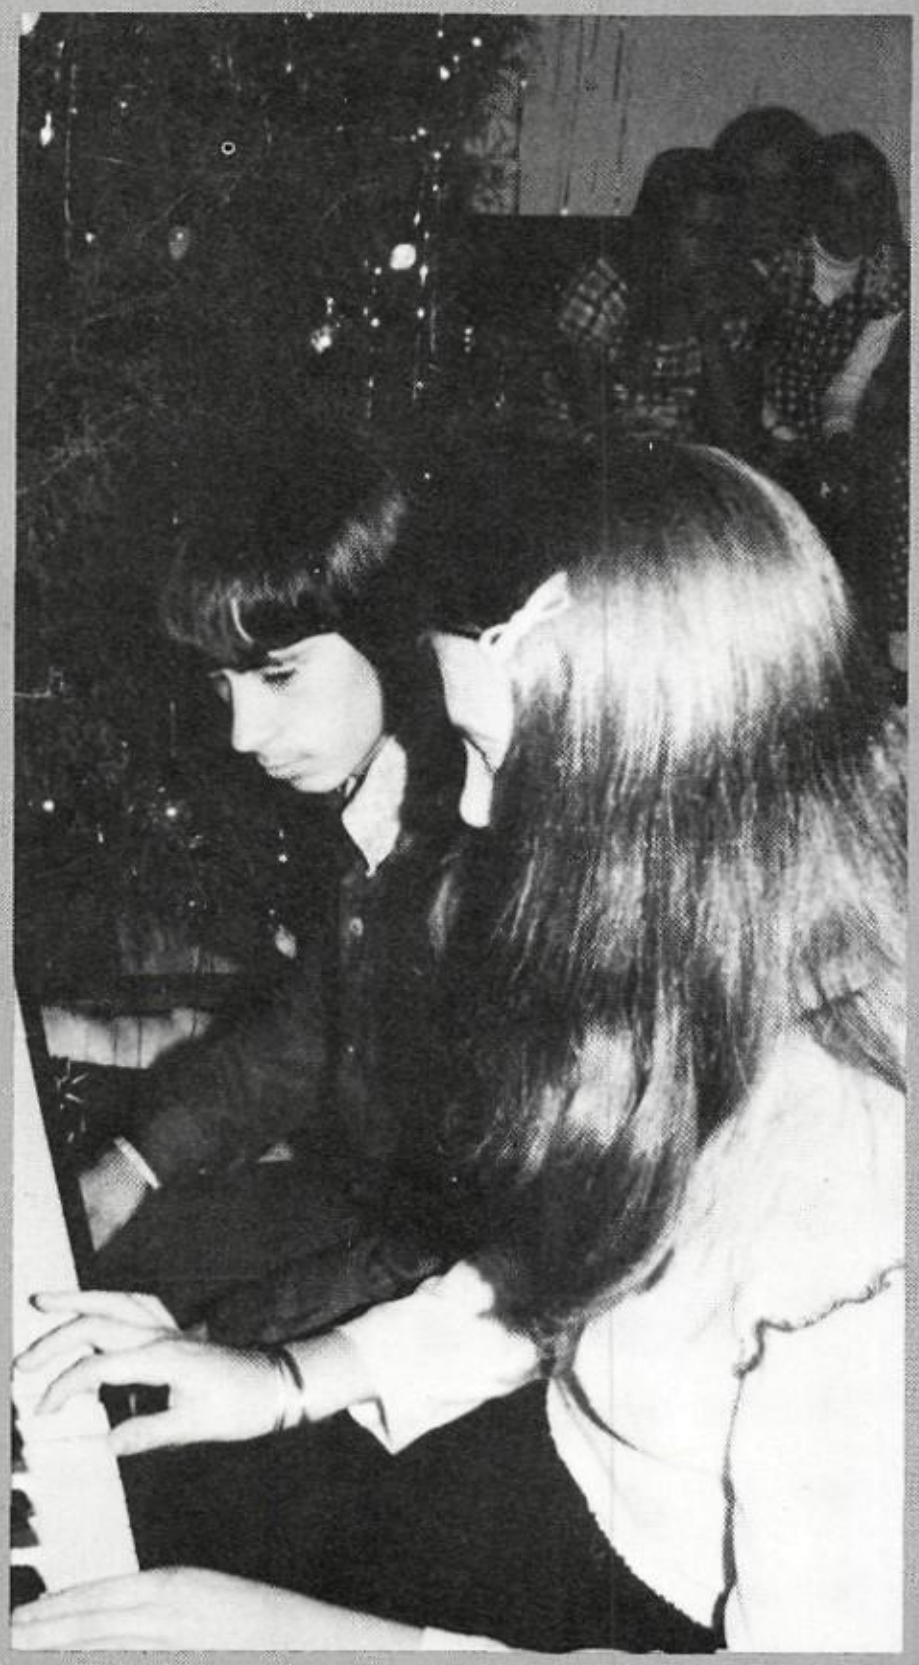


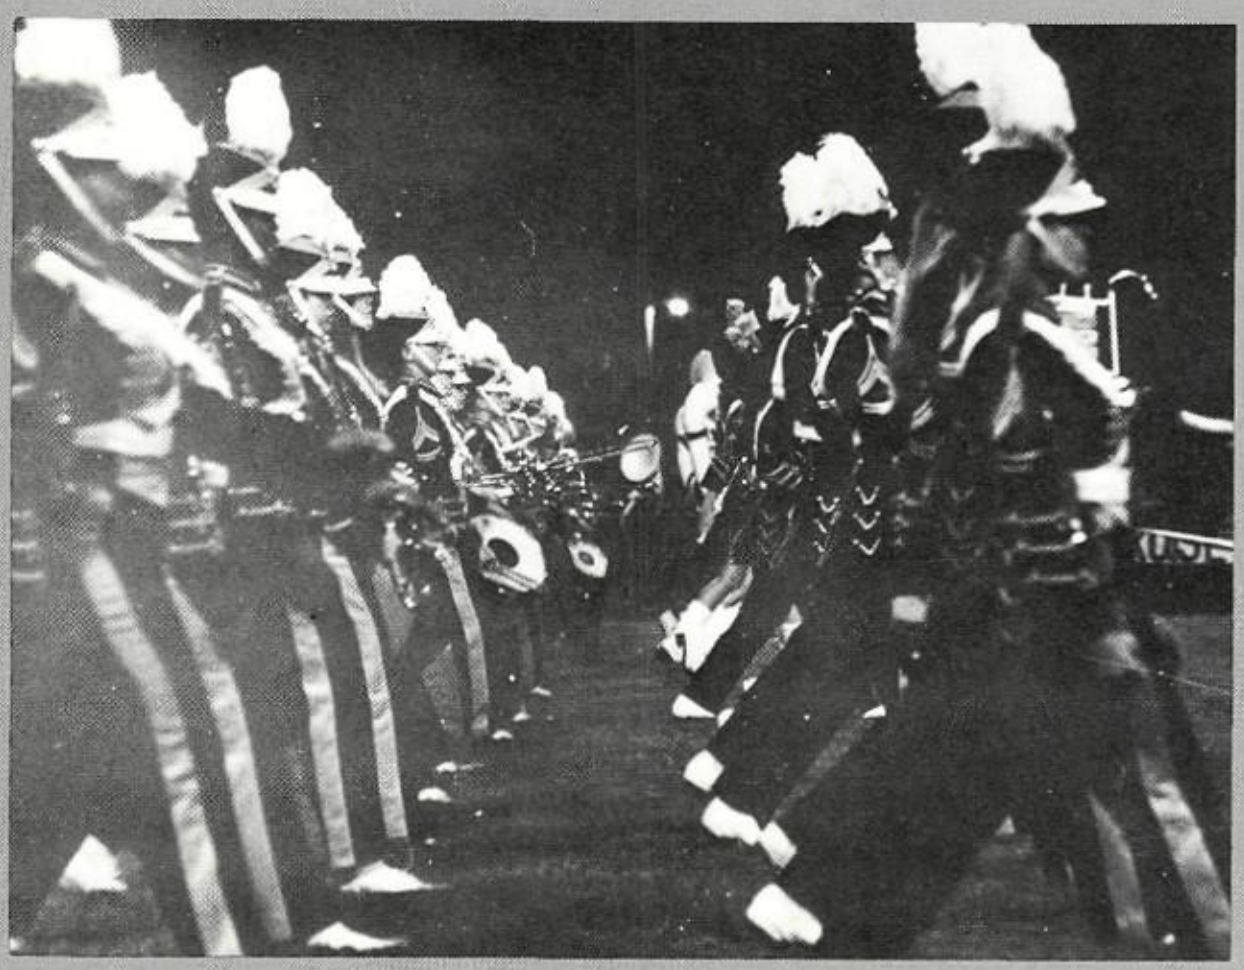
This page compliments of Larry Everett - Commissioner - Precinct 3.

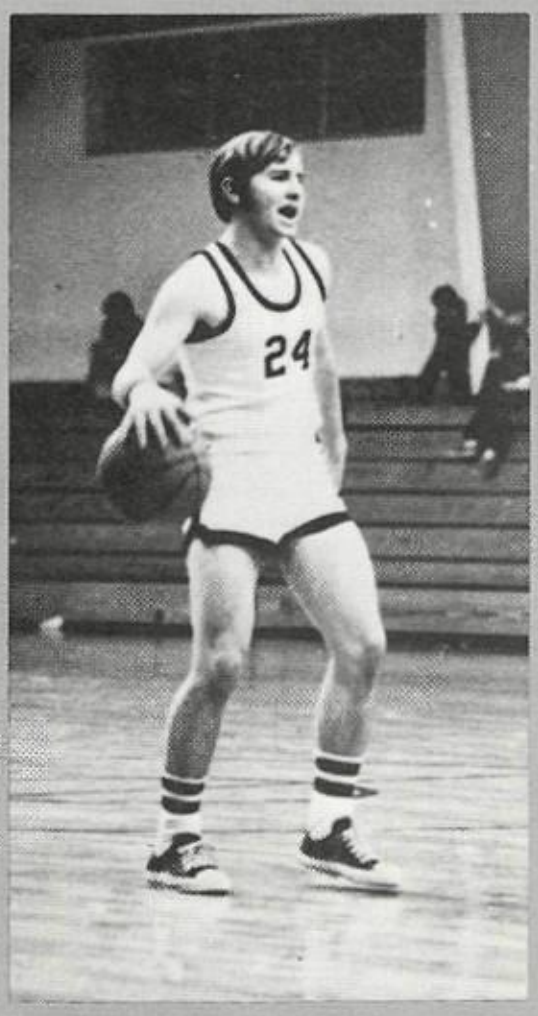


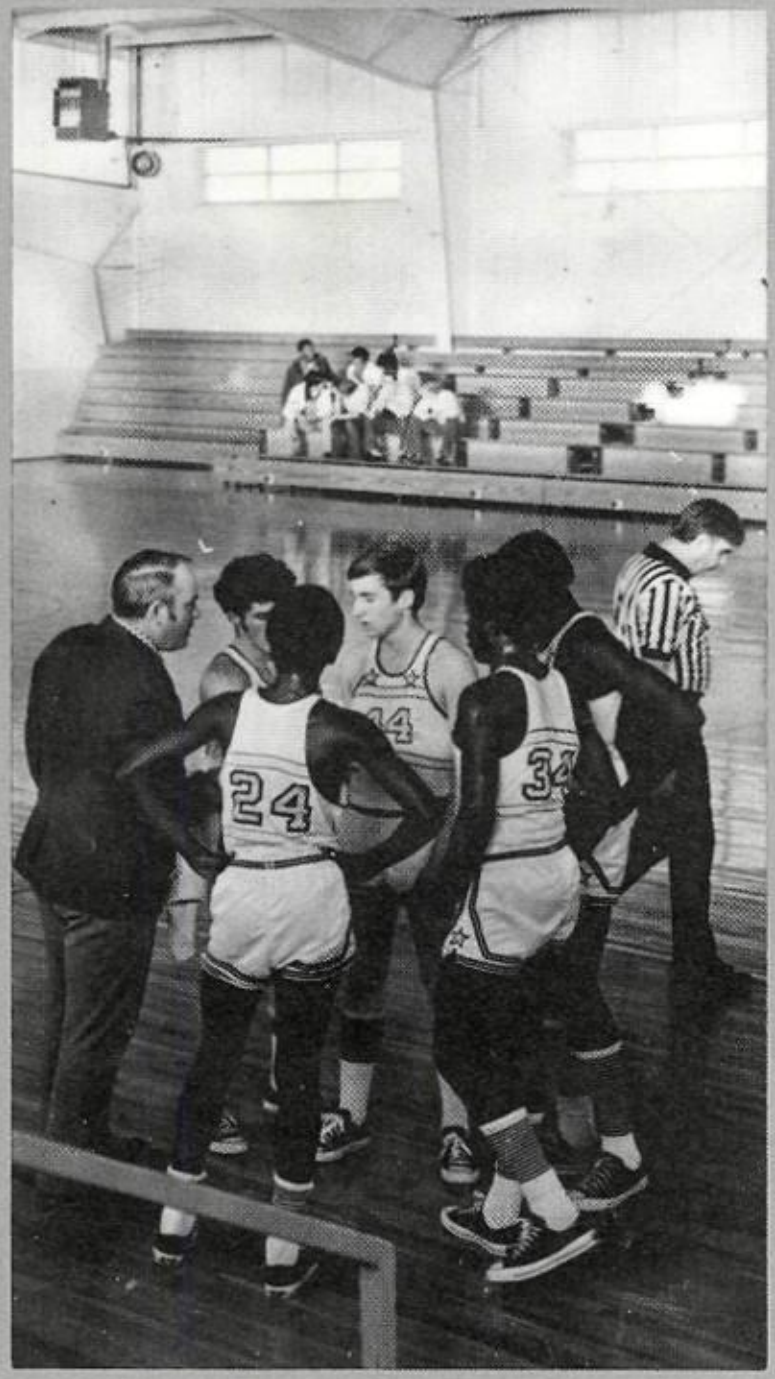


BROWNSBORO
FFA
WELCOMES
YOU









It's not too late,
We should be giving,
Only with love can we climb,
It's not too late - not while we're
living,
Let's put our hands in stride.

There's got to be a morning after,
We're moving closer to the shore,
I'll know we'll be there by tomorrow.
And we'll escape the darkness,
We won't be searching anymore.

THERE'S GOT TO BE A MORNING
AFTER!
